COMMITMENT TO SAFETY

Overview
In the event that any staff member or volunteer observes inappropriate behaviors (i.e., policy violations), suspected physical or sexual abuse, or misconduct, it is the personal responsibility of each staff member and volunteer to immediately report his or her observations to an immediate supervisor, an Athletes Without Limits administrator or a member of the Athletes Without Limits’ Participant Safety Committee.

Athletes Without Limits is committed to creating a safe and positive environment for athletes’ physical, emotional and social development and to ensuring that it promotes an environment free of misconduct.

Staff members and volunteers should not attempt to evaluate the credibility or validity of child physical or sexual abuse allegations as a condition for reporting to appropriate law enforcement authorities.

Instead, it is the responsibility of each staff member and volunteer to immediately report suspicions or allegations of child physical or sexual abuse to an immediate supervisor, Athletes Without Limits administrator or a member of Athletes Without Limits’ Participant Safety Committee. Complaints and allegations will be addressed under Athletes Without Limits’ Disciplinary Rules and Procedure.

Athletes Without Limits recognizes that the process for training and motivating athletes will vary with each coach and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct.

Application
This Policy applies to
• Staff members and volunteers
• Athletes and participants

Staff members, volunteers, athletes and participants shall refrain from all forms of misconduct, which include:
• Bullying
• Harassment
• Hazing
• Emotional misconduct
• Physical misconduct
• Sexual misconduct, including child sexual abuse
TRAINING AND EDUCATION

Our policies and procedures require staff members and/or volunteers to report abuse, misconduct and violations of its Athlete Protection Policy. To do so, staff members and/or volunteers should have a basic understanding of sexual abusers, as well as “grooming,” the most common strategy offenders use to seduce their victims. Using a combination of attention, affection and gifts, offenders select a child, win the child’s trust (and the trust of the child’s parent or guardian), manipulate the child into sexual activity, and keep the child from disclosing abuse.

Accordingly, staff members and/or volunteers complete an awareness training (SafeSport or equivalent) concerning misconduct in sport before performing services for Athletes Without Limits. Misconduct in sport includes:

- Bullying
- Harassment
- Hazing
- Emotional misconduct
- Physical misconduct, and
- Sexual misconduct, including child sexual abuse

Staff members and/or volunteers must successfully complete the Safesport training and the quiz after the test or provide evidence of successful completion of a Safesport equivalent training through their sport’s national governing body (NGB) coaching certification process.

Those staff members and/or volunteers who are required to take awareness training will take athlete awareness training before they have contact with athletes and every subsequent two (2) years.

The certification of successful completion of the Safesport training (or equivalent) must be submitted to Athletes Without Limits and will be kept with the staff member’s and/or volunteer’s personnel file.

PROHIBITED CONDUCT

Child Sexual Abuse

(1) Any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception or the child understands the sexual nature of the activity.

Note concerning peer-to-peer child sexual abuse: Sexual contact between minors also can be abusive. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

(2) Any act or conduct described as child sexual abuse under federal or state law.
**Exception**
None

**Examples**
Sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

**Emotional Misconduct**
(1) A pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete. Non-contact behaviors include:

- a. verbal acts
- b. physical acts
- c. acts that deny attention or support

(2) Any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

**Exception**
Emotional misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, discipline or improving athletic performance.

**Examples**
Examples of emotional misconduct prohibited by this policy include, without limitation:

(1) **Verbal Acts.** A pattern of verbal behaviors that (a) attack an athlete personally (e.g., calling them worthless, fat or disgusting) or (b) repeatedly and excessively yelling at a particular participant or participants in a manner that serves no productive training or motivational purpose.

(2) **Physical Acts.** A pattern of physically aggressive behaviors, such as (a) throwing sport equipment, water bottles or chairs at, or in the presence of, participants; or (b) punching walls, windows or other objects.

(3) **Acts that Deny Attention and Support.** A pattern of (a) ignoring an athlete for extended periods of time or (b) routinely or arbitrarily excluding participants from practice.

**Note:** Bullying, harassment, and hazing, defined below, often involve some form of emotional misconduct.

**Physical Misconduct**
(1) Contact or non-contact conduct that results in, or reasonably threaten to, cause physical harm to an athlete or other sport participants; or

(2) Any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

**Exceptions**
Physical misconduct does not include professionally-accepted coaching methods of skill
enhancement, physical conditioning, team building, appropriate discipline or improving athlete performance. For example, hitting, punching, and kicking are well-regulated forms of contact in combat sports, but have no place in swimming.

Examples
Examples of physical misconduct prohibited by this Policy include, without limitation:

(1) Contact offenses. Behaviors that include:
   (a) punching, beating, biting, striking, choking or slapping an athlete;
   (b) intentionally hitting an athlete with objects or sporting equipment;
   (c) providing alcohol to an athlete under the legal drinking age (under U.S. law);
   (d) providing illegal drugs or non-prescribed medications to any athlete;
   (e) encouraging or permitting an athlete to return to play pre-maturely following a serious injury (e.g., a concussion) and without the clearance of a medical professional;
   (f) prescribing dieting or other weight-control methods (e.g., weigh-ins, caliper tests) without regard for the nutritional well-being and health of athlete.

(2) Non-contact offenses. Behaviors that include:
   (a) isolating an athlete in a confined space (e.g., locking an athlete in a small space);
   (b) forcing an athlete to assume a painful stance or position for no athletic purpose (e.g. requiring an athlete to kneel on a harmful surface);
   (c) withholding, recommending against or denying adequate hydration, nutrition, medical attention or sleep.

Note: Bullying, harassment and hazing, defined below, often involve some form of physical misconduct.

Sexual Misconduct
(1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner;
(2) Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative; or
(3) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. sexual abuse, sexual exploitation, rape)

Note: An imbalance of power is always assumed between a coach and an athlete.

Types of Sexual Misconduct
Types of sexual misconduct include:
   (1) sexual assault,
   (2) sexual harassment,
   (3) sexual abuse, or
   (4) any other sexual intimacies that exploit an athlete. Minors cannot consent to sexual
activity with an adult, and all sexual interaction between an adult and a minor is strictly prohibited.

Exceptions
None

Examples

Examples of sexual misconduct prohibited under this Policy include, without limitation:

(1) Touching offenses. Behaviors that include:
   (a) fondling an athlete’s breasts or buttocks

   (c) genital contact
   (d) sexual relations or intimacies between persons in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants.

Comment
(1) Authority and Trust. Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age. Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching if an imbalance in power could jeopardize effective decision-making.

Imbalance of Power. Factors relevant to determining whether there is an imbalance of power include, but are not limited to: (a) the nature and extent of the coach’s supervisory, evaluative or other authority over the athlete being coached; (b) the actual relationship between the parties; (c) the parties’ respective roles; (d) the nature and duration of the sexual relations or intimacies; (e) the age of the coach; (f) the age of the athlete or participant; (g) and whether the coach has engaged in a pattern of sexual interaction with other athletes or participants.

(2) Exception. This section does not apply to a pre-existing relationship between two spouses or life partners.

(2) Non-touching offenses. Behaviors that include:
   (a) a coach discussing his or her sex life with an athlete
   (b) a coach asking an athlete about his or her sex life
   (c) coach requesting or sending a nude or partial-dress photo to athlete
   (d) exposing athletes to pornographic material
   (e) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. “sexting”)
   (f) deliberately exposing an athlete to sexual acts
(g) deliberately exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared)
(h) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and
   a. is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this
   b. is sufficiently severe or intense to be harassing to a reasonable person in the context.

**Bullying**

(1) An intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete(s), as a condition of membership.

(2) Any act or conduct described as bullying under federal or state law.

**Exceptions**

Bullying does not include group or team behaviors that (a) are meant to establish normative team behaviors, or (b) promote team cohesion.

For example, bullying does not include verbal admonitions to encourage team members to train harder and to push through a difficult training regimen.

**Examples**

Examples of bullying prohibited by this Policy include, without limitation:

(1) **Physical behaviors.** Behaviors that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking, or slapping an athlete; (b) throwing at, or hitting an athlete with, objects such as sporting equipment.

(2) **Verbal and emotional behaviors.** Behaviors that include (a) teasing, ridiculing, intimidating; (b) spreading rumors or making false statements; or (c) using electronic communications, social media, or other technology to harass, frighten, intimidate or humiliate (“cyber bulling”).

**Harassment**

(1) A repeated pattern of physical and/or non-physical behaviors that (a) are intended to cause fear, humiliation or annoyance, (b) offend or degrade, (c) create a hostile environment or (d) reflect discriminatory bias in an attempt to establish dominance, superiority or power over an individual athlete or group based on gender, race, ethnicity, culture, religion, sexual orientation, gender expression or mental or physical disability; or

(2) Any act or conduct described as harassment under federal or state law.

**Exceptions**

None

**Examples**

(2) **Non-physical offenses.** Behaviors that include (a) making negative or disparaging comments about an athlete’s sexual orientation, gender expression, disability, religion, skin color, or ethnic traits; (b) displaying offensive materials, gestures, or symbols; (c) withholding or reducing playing time to an athlete based on his or her sexual orientation.

**Hazing**

(1) Coercing, requiring, forcing or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group or (b) being socially accepted by a group’s members; or

(2) Any act or conduct described as hazing under federal or state law

**Exception**

Hazing does not include group or team activities that (a) are meant to establish normative team behaviors or

(b) promote team cohesion.

**Examples**

Examples of hazing prohibited by this Policy include, without limitation:

(1) requiring, forcing or otherwise requiring the consumption of alcohol or illegal drugs
(2) tying, taping or otherwise physically restraining an athlete
(3) sexual simulations or sexual acts of any nature
(4) sleep deprivation, otherwise unnecessary schedule disruption or the withholding of water and/or food
(5) social actions (e.g. grossly inappropriate or provocative clothing) or public displays (e.g. public nudity) that are illegal or meant to draw ridicule
(6) beating, paddling or other forms of physical assault
(7) excessive training requirements focused on individuals on a team

**Comment:** Activities that fit the definition of hazing are considered to be hazing regardless of an athlete’s willingness to cooperate or participate.

**WILLFULLY TOLERATING MISCONDUCT**

It is a violation of this Athlete Protection Policy if a staff member and/or volunteer knows of misconduct but takes no action to intervene on behalf of the athlete(s), participant(s), staff member, and/or volunteer.

**REPORTING**

Although these policies are designed to reduce child sexual abuse and other misconduct, it can still occur. Staff members, volunteers and participants of ATHLETES WITHOUT LIMITS shall follow the reporting procedures set forth in ATHLETES WITHOUT LIMITS’ Reporting Policy.
ATHLETES WITHOUT LIMITS does not investigate suspicions or allegations of child physical or sexual abuse, or attempt to evaluate the credibility or validity of such allegations, as a condition of reporting suspicions or allegations to the appropriate law enforcement authorities.

VIOLATIONS
Violations of the Athlete Protection Policy shall be reported pursuant to our Reporting Policy and will be addressed under our Disciplinary Rules and Procedure.

APPLICANT SCREENING
Staff members, contractors and/or volunteers must consent to, and pass, a formal applicant screening process before performing services for Athletes Without Limits.

Elements of our screening process may include, as applicable, successful completion of an application, interview, reference check and criminal background check.

EDUCATION ABOUT ATHLETES WITHOUT LIMITS’S PROTECTION POLICIES
To deter applicants who may be at risk of abusing athletes or participants from applying for positions, Athletes Without Limits educates its applicants about its protection policies and offers applicants an early opt-out by:

- Requiring awareness training before placement and/or before working with athletes and participants
- Informing applicants about our policies and procedures relevant to prevention
- Asking applicants to review and agree to our policies and procedures before proceeding with the process
- Requiring applicants to sign a document acknowledging review of our policies and procedures

WRITTEN APPLICATIONS
Each applicant for a position will complete an application form consisting of personal, identifying information and a general release with applicant’s signature.

The written application will:

- Ask about previous work and volunteer experiences
- Ask questions intended to illicit information concerning high-risk behaviors
- Provide a written release for contacting personal references and performing a criminal background check, including an indemnification clause
- Ask open-ended questions that encourage broad answers
- Use disclosure statements to ask applicants about previous criminal arrests or convictions for sexual offenses, violence against youth and other violent criminal offenses or felonies

PERSONAL INTERVIEW
Appropriate staff will interview applicants whose experience and credentials are considered a fit for available positions. During this interview, Athletes Without Limits will ask questions to encourage discussion, clarify responses and expand on the applicant’s answers to questions from the written application.

REFERENCES
References of applicants will be contacted (either by phone or in writing) and asked specific
questions regarding the applicant’s professional experiences, demeanor and appropriateness for involvement with minor athletes and participant.

RELEASE
Each applicant will also provide a signed release, consistent with federal, state and local laws regulating employment practices, that allows references to speak freely about the applicant’s qualifications without fear of reprisal and authorizing ATHLETES WITHOUT LIMITS to obtain information concerning an applicant’s past employment, volunteer experience and information provided by the applicant during the screening process (i.e., written application and personal interview).

CRIMINAL BACKGROUND CHECK POLICY

All applicants will be asked to undergo a criminal background check that complies with the Fair Credit Reporting Act before providing services for Athletes Without Limits (or provide evidence of an existing criminal background check through their employer or the NGB of their sport obtained for the purpose of professional coaching certification). Through this criminal background check, Athletes Without Limits will utilize reasonable efforts to ascertain past criminal history of an applicant.

PROCESS
The Criminal Background Check Consent and Waiver Release form must be submitted and the applicant cleared before he or she may perform services for Athletes Without Limits.

On receipt of the Criminal Background Check Consent and Waiver Release form, Athletes Without Limits will request that its vendor perform the criminal background check. As part of its criminal background check, Athletes Without Limits’ vendor will, at a minimum and without limitation,

(1) perform a national search of state criminal repositories;
(2) perform a search of state sexual offender registries; and
(3) verify a person’s identification against his or her social security number or other personal identifier.

If the applicant has an existing Criminal Background Check through an employer or sport NGB, that background check, if valid, will be accepted.

POTENTIALLY DISQUALIFYING FACTORS

Criminal History
Athletes Without Limits will use a criminal background check to gather information about an applicant’s prior criminal history. The information revealed by the criminal background check may disqualify an applicant from serving as a staff member, contractor and/or volunteer.

Information that could disqualify an applicant includes, but is not limited to, arrests, pleas of no contest and criminal convictions—especially if the underlying criminal behavior involved sex or violence.
Pending Court Cases
No decision will be made on an individual’s eligibility for work as a new staff member, contractor and/or volunteer if they have a pending court case for any of the potentially disqualifying offenses until the pending case concludes. If, however, during the case’s pendency, the organization undertakes an independent investigation and conducts a hearing, any determination may be used to disqualify the individual.

Full Disclosure
Each applicant has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting an arrest plea or conviction history in an application or any other information provided by an applicant during the screening process is grounds for employment, volunteer and/or membership revocation or restriction, regardless of when the offense is discovered.

• If an applicant (1) is arrested, (2) pleas or (3) is convicted of a crime other than a traffic offense during the screening process, the applicant is required to disclose such information immediately.

(4) perform a national search of state criminal repositories;
(5) perform a search of state sexual offender registries; and
(6) verify a person’s identification against his or her social security number or other personal identifier.

- In the event a person is serving as a staff member, contractor or volunteer and (1) is arrested (2) pleas or (3) is convicted after the completion of the screening process, he or she has an affirmative duty to disclose such information immediately to his or her supervisor or Athletes Without Limits administrator.
- Any applicant who has been banned by another sport organization, as temporarily or permanently ineligible, must self-disclose this information. A failure to disclose is a basis for disqualification for potential applicants.

FINDINGS
Notice of findings will be provided to:

(1) The designated contact of Athletes Without Limits that submitted the application;

A green light score means that the background check vendor located no records that would disqualify the applicant. A green light score, however, is not a certification of safety or permission to bypass/ignore other screening efforts. Other disqualifying factors may exist, and can be revealed through an interview, reference checks and a completed application.

A red light finding means the criminal background check revealed criminal records which suggest the applicant “does not meet the criteria” and is not suitable for organization employment or volunteer assignment.

Individuals who are subject to disqualification under a “red light” finding may challenge the accuracy of the reported information reported by the criminal background check vendor.

APPEALS
If an individual receives a red light finding and wants to contest Athletes Without Limits’ decision not to accept his or her application based on the red light finding, the individual may request a hearing before Athletes Without Limits’ Review Panel. The Review Panel will consist of: CEO, Administrative Officer and Head Coach of a sport other than the one applicant is
applying to work/volunteer in. The Review Panel will communicate its finding to the individual and hiring staff. If the individual disagrees with the finding of the Review Panel, he or she may request an appeal with Athletes Without Limits Board of Directors. A decision rendered by the Board of Directors shall be final and binding on all parties.

An individual may also appeal to the criminal background check company if they believe the results of the background check are in error. Athletes Without Limits will re-consider the application if the criminal background check company amends its original finding.

DISCRETION
If any discretion is exercised in the application of this policy, it shall be exercised in a uniform manner so that substantially similar convictions and circumstances result in substantially similar treatment of applicants.

FREQUENCY OF CRIMINAL BACKGROUND CHECKS
Criminal background checks will be refreshed every 3 years or as otherwise required by law or applicable sport NGB, for staff members and/or volunteers who are 18 years of age or older and perform services for Athletes Without Limits.

AFFIRMATIVE DUTY TO DISCLOSE
If, during the course of employment or participation in Athletes Without Limits’ program, a staff member or volunteer is accused, arrested, indicted or convicted of a criminal offense against a child, it is the duty and responsibility of the staff member or volunteer to notify an immediate supervisor, an Athletes Without Limits administrator or a member of the Athletes Without Limits Participant Safety Committee.

OTHER POTENTIALLY DISQUALIFYING FACTORS
Even if an applicant passes a criminal background check, other factors may disqualify an applicant. An individual may be disqualified and prohibited from providing services for Athletes Without Limits if the individual has:

• Been held liable for civil penalties or damages involving sexual or physical abuse of a minor
• Been subject to any court order involving any sexual or physical abuse of a minor, including but not limited to domestic order or protection
• A history with another organization (employment, volunteer, etc.) of complaints of sexual or physical abuse of minors
• Resigned, been terminated or been asked to resign from a position - paid or unpaid - due to complaint(s) of sexual or physical abuse of minors
• A history of other behavior that indicates they may be a danger to participants in ATHLETES WITHOUT LIMITS; or
• Not met the job requirements

Any applicant who has been banned by another sport organization, as temporarily or permanently ineligible, must self-disclose this information. A failure to disclose is a basis for disqualification for potential applicants.

REVIEW OF DISQUALIFIERS
Athletes Without Limits will review its disqualifiers every two years or as otherwise required or modified by law.
RECORDS
Records are secured onsite for a period indicated by applicable law or until the applicant is no longer affiliated with Athletes Without Limits, whichever date is later.

SUPERVISION OF ATHLETES AND PARTICIPANTS
During training and competition, ATHLETES WITHOUT LIMITS strives to create two-deep leadership and minimize one-to-one interactions to create a safe environment and to protect athletes and participants.

APPROPRIATE ONE-ON-ONE INTERACTIONS

Individual Meetings
An individual meeting may be necessary to address an athlete’s concerns, training program, or competition schedule. Under these circumstances, coaches, staff members and/or volunteers are to observe the following guidelines:

- Any individual meeting should occur when others are present and where interactions can be easily observed
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of a gym or pool deck
- If an individual meeting is to take place in an office, the door should remain unlocked and open
- If a closed-door meeting is necessary, the coach, staff member and/or volunteer must inform another coach, staff member and/or volunteer and ensure the door remains unlocked

Individual Training Sessions
An individual training session(s) with an athlete or participant may also be desired or necessary. Under these circumstances, written permission of a minor athlete’s parents or guardians is required in advance of the individual training session(s), and Athletes Without Limits encourages parents and guardians to attend the training session.

PROHIBITED ONE-ON-ONE INTERACTIONS
Except as set forth above, minor athletes and participants will not be left unattended or unsupervised during Athletes Without Limits activities and Athletes Without Limits coaches, staff members and/or volunteers are prohibited from being alone with an individual athlete or participant in any room or building.

PHYSICAL CONTACT WITH ATHLETES
Appropriate physical contact between athletes and coaches, staff members, contractors or volunteers is a productive and inevitable part of sport. Athletes are more likely to acquire advanced physical skills and enjoy their sport participation through appropriate physical contact. However, guidelines for appropriate physical contact reduce the potential for misconduct in sport.

APPROPRIATE PHYSICAL CONTACT
Athletes Without Limits adheres to the following principles and guidelines in regards to physical contact with our athletes:
Common Criteria for Appropriate Physical Contact

Physical contact with athletes - for safety, consolation and celebration - has multiple criteria in common which make them both safe and appropriate. These include:

- the physical contact takes place in public
- there is no potential for, or actual, physical or sexual intimacies during the physical contact
- the physical contact is for the benefit of the athlete, not to meet an emotional or other need of an adult

Safety

The safety of our athletes is paramount and in many instances we make the athletic space safer through appropriate physical contact. Examples include:

- spotting an athlete so that they will not be injured by a fall or piece of equipment
- positioning an athlete’s body so that they more quickly acquire an athletic skill, get a better sense of where their body is in space, or improve their balance and coordination
- making athletes aware that they might be in harm’s way because of other athletes practicing around them or because of equipment in use
- releasing muscle cramps

Celebration

Sports are physical by definition and we recognize participants often express their joy of participation, competition, achievement and victory through physical acts. We encourage these public expressions of celebration, which include:

- greeting gestures such as high-fives, fist bumps, and brief hugs
- congratulatory gestures such as celebratory hugs, “jump-arounds” and pats on the back for any form of athletic or personal accomplishment

Consolation

It may be appropriate to console an emotionally distressed athlete (e.g., an athlete who has been injured or has just lost a competition). Appropriate consolation includes publicly:

- embracing a crying athlete
- putting an arm around an athlete while verbally engaging them in an effort to calm them down (“side hugs”)
- lifting a fallen athlete off the playing surface and “dusting them off” to encourage them to continue competition

PROHIBITED PHYSICAL CONTACT

Prohibited forms of physical contact, which shall be reported immediately under our Reporting Policy include, without limitation:

- asking or having an athlete sit in the lap of a coach, administrator, staff member or volunteer
- lingering or repeated embraces of athletes that go beyond the criteria set forth for acceptable physical contact
- slapping, hitting, punching, kicking or any other physical contact meant to discipline, punish or achieve compliance from an athlete
- “cuddling” or maintaining prolonged physical contact during any aspect of training, travel or overnight stay
• playful, yet inappropriate contact that is not a part of regular training, (e.g., tickling or “horseplay” wrestling)
• continued physical contact that makes an athlete obviously uncomfortable, whether expressed or not
• any contact that is contrary to a previously expressed personal desire for decreased or no physical contact, where such decreased contact is feasible in a competitive training environment.

VIOLATIONS
Violations of this policy must be reported to a supervisor, ATHLETES WITHOUT LIMITS administrator, or member of the Participant Safety Committee and violations will be addressed under our Disciplinary Rules and Procedure. Some forms of physical contact may constitute child physical or sexual abuse that must be reported to appropriate law enforcement authorities.

ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY
As part of Athletes Without Limits’ emphasis on athlete safety, all electronic communications between a coach and athlete must be professional in nature and for the purpose of communicating information about team activities.

As with any communication, the content of any electronic communication should be readily available to share with the athlete’s family. At the request of a parent or guardian, any email, electronic text, social media or similar communication will copy or include the athlete’s parents or guardians.

FACEBOOK, BLOGS AND SIMILAR SITES
All posts, messages, text, or media of any kind between coach and athlete must be professional in nature and for the purpose of communicating information about team activities or for team-oriented motivational purposes. Staff and volunteers must use social media communication channels appropriately and be aware of the power of these sites in the lives of athletes. Minor athletes should NOT be “friends” of staff or coaches on their personal social media sites.

TWITTER, INSTANT MESSAGING AND SIMILAR MEDIA
Coaches and athletes may “follow” each other. Coaches cannot “re-tweet” athlete message posts. All posts between coach and athlete must be for the purpose of communicating information about team activities.

EMAIL AND SIMILAR ELECTRONIC COMMUNICATIONS
Athletes and coaches may use email to communicate. All email content between coach and athlete must be professional in nature and for the purpose of communicating information about team activities. Where the coach is a staff member and/or volunteer, email from a coach to any athlete should come from the Athletes Without Limits website email center (the coach’s return email address will contain “@ATHLETES WITHOUT LIMITS.com”).

TEXTING AND SIMILAR ELECTRONIC COMMUNICATIONS
Texting is allowed between coaches and athletes. All texts between coach and athlete must be professional and for the purpose of communicating information about team activities.
**ELECTRONIC IMAGERY**
From time to time, digital photos, videos of practice or competition, and other publicly obtainable images of the athlete - individually or in groups - may be taken. These photos and/or videos may be submitted to local, state or national publications, used in Athletes Without Limits videos, posted on Athletes Without Limits or Athletes Without Limits associated websites, or offered to the Athletes Without Limits families seasonally on disc or other electronic form. It is the default policy of Athletes Without Limits to allow such practices as long as the athlete or athletes are in public view and such imagery is both appropriate and in the best interest of the athlete and Athletes Without Limits. However, Athletes Without Limits has a media release form as part of its application packet. Signed copies of the form are kept in the athlete’s file and to the extent possible, those athletes not signing the form will to the greatest extent possible not have their image used. It is understood that in some group and action photo/video situations this is not completely possible. Imagery must not be contrary to any rules as outlined in Athlete Protection Policy.

**REQUEST TO DISCONTINUE ALL ELECTRONIC COMMUNICATIONS OR IMAGERY**
The parents or guardians of an athlete (or adult athlete) may request in writing that their child (they) not be contacted by any form of electronic communication by coaches (photography or videography).

**MISCONDUCT**
Social media and electronic communications can also be used to commit misconduct (e.g., emotional, sexual, bullying, harassment, and hazing). Such communications by coaches, staff, volunteers, administrators, officials, parents or athletes will not be tolerated and are considered violations of our Participant Safety Handbook.

**VIOLATIONS**
Violations of Athletes Without Limits’ Electronic Communications and Social Media Policy should be reported to your immediate supervisor, an Athletes Without Limits administrator or a member of Athletes Without Limits’ Participant Safety Committee for evaluation. Complaints and allegations will be addressed under Athletes Without Limits’ Disciplinary Rules and Procedure.

**LOCKER ROOMS AND CHANGING AREAS - Affiliate Policy**
Athletes Without Limits is concerned with locker room activities between minors, minors and adults, adults being alone with individual minors in locker rooms and changing areas, with non-official or non-related adults having unsupervised access to minor participants and with inappropriate behavior among adults in locker rooms.

As part of Athletes Without Limits’ commitment to safety, Athletes Without Limits requires its affiliates to publish practices for locker rooms and changing areas. Athletes Without Limits must include the following information in their Locker Rooms and Changing Areas policy:

- **Supervision.** Affiliates must have and describe Affiliates’ practices for supervising and monitoring locker rooms and changing areas
- **Prohibited Conduct.** Affiliate’s policy must prohibit hazing, bullying, harassment and other forms of misconduct, as set forth in Affiliate’s Athlete Protection Policy
- **User of Recording Devices.** Affiliate’s policy must prohibit the use of a
device’s recording capabilities, including voice recording, still cameras and video cameras

• **Meetings.** For individual meetings with a minor participant and a coach in a locker room, Affiliate requires that at least one additional responsible adult be with the coach.

**LOCKER ROOMS AND CHANGING AREAS - Competition Policy**

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

**FACILITIES**

When we travel for competition the facilities may differ from location to location. We will work with the host team to provide as much information about the locker room and changing areas as early as possible, and post that information as soon as it’s available.

**MONITORING**

**ATHLETES WITHOUT LIMITS** has predictable and limited use of locker rooms and changing areas (e.g., immediately before and following practices and competitions). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make athletes uncomfortable and may even place our staff at risk for unwarranted suspicion.

We conduct a sweep of the locker rooms and changing areas before athletes arrive, post staff members directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible. Staff members conduct regular sweeps inside these areas as well, with women checking on female-designated areas, and men checking on male-designated areas.

**MIXED-GENDER TEAMS**

If the team consists of both male and female athlete, both female and male privacy rights must be given consideration and appropriate arrangements made. Where possible, Athletes Without Limits has the male and female players dress/undress in separate locker rooms and then convene in a single dressing room before the game or team meeting. Once the game is finished, the players may come to one locker room and then the male and female players proceed to their separate dressing rooms to undress and shower (separately), if available. If separate locker rooms are not available, then the athletes will take turns using the locker room to change.

**USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES**

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. As a result, THERE WILL BE NO USE OF A DEVICE’S RECORDING CAPABILITIES IN THE LOCKER ROOMS OR CHANGING AREAS.

Violations of this policy will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth therein, including temporary suspension from competition.
**TRAVEL for Affiliates**

Team Travel is defined as overnight travel to a team activity that is planned and supervised by the Athletes Without Limits or affiliate. Affiliate’s travel policies must be signed and agreed to by all athletes, parents, coaches and other adults traveling with the Athletes Without Limits.

As part of Athletes Without Limits’ commitment to safety, it requires affiliates to publish practices for travel. Affiliates must include the following in their Travel Policy:

- Travel policies must be signed and agreed to by all athletes, parents, coaches and other adults traveling with the Athletes Without Limits’ affiliate.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete (unless the coach is the parent, guardian, sibling or spouse of that particular athlete).
- When only one athlete and one coach travel to a competition, the athlete must have his or her parents’ (or legal guardian’s) written permission in advance to travel alone with the coach.

**TRAVEL - Athletes Without Limits Sponsored**

Travel will be a standard aspect of our competitive program and Athletes Without Limits has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of misconduct. Adherence to these travel guidelines will increase athlete safety and improve the competitive experience while keeping travel a fun and enjoyable experience.

**LOCAL AND TEAM TRAVEL**

We distinguish between travel to training, practice and local competition (“local travel”), and team travel involving a coordinated overnight stay (“team travel”).

**Local Travel**

Local travel occurs when Athletes Without Limits does not sponsor, coordinate, or arrange for travel. For local travel, athletes or their parents/guardians (for minor athletes) are responsible for making all travel arrangements. In these instances it is the responsibility of the athlete or their parents/guardians (for minor athletes) to ensure the person transporting the athlete maintains all safety and legal requirements, including, but not limited to, a valid driver’s license, proper insurance, well maintained vehicle, and compliance with all state laws.

In an effort to minimize one-on-one interactions, Athletes Without Limits staff members, coaches and/or volunteers, who are not also acting as a parent, should not drive alone with an unrelated athlete and should only drive with at least two other athletes or another adult at all times, unless otherwise agreed to in writing by the athlete’s parent or guardian in advance of travel. In any case where a staff member and/or volunteer is involved in the athlete’s local travel, a parental release is required in advance. Efforts must be made to ensure that staff and/or volunteers are not alone with an athlete or participant, by, e.g., picking the athletes up in groups.

Coaches, staff members and volunteers who are also an athlete’s guardian may provide shared transportation for any athlete(s). We encourage guardians to pick up their athlete first and drop off their athlete last in any shared or carpool travel arrangement. We also recommend
completing a shared travel declaration form signed by the parents/guardians of any minor athlete who is being transported as part of such a carpool arrangement.

Team Travel
Team travel is overnight travel that occurs when Athletes Without Limits sponsors, coordinates or arranges for travel so that our teams can compete locally, regionally, nationally or internationally. Because of the greater distances, coaches, staff, volunteers and chaperones will often travel with the athletes. However, no coach, staff member, or volunteer will engage in team travel without the proper safety requirements in place, including valid drivers’ licenses, proper insurance, well-maintained vehicles and compliance with all state laws.

Athletes Without Limits makes efforts to provide adequate supervision through coaches and other adult chaperones.

For team travel, hotels and air travel will be booked in advance by Athletes Without Limits. Athletes will share rooms, with 2-4 athletes assigned per room depending on accommodations. Athletes Without Limits will also notify hotel management should any special arrangements be warranted. For instance, we will ask hotels to block pay per view channels and we will request an additional large room or suite so that our members and athletes may socialize as a group. Meetings do not occur in hotel rooms, and we will reserve a separate space for adults and athletes to socialize.

We encourage family members who wish to stay in the team hotel to do so, when available. However, at most international events parents cannot stay in the same hotel as the team. If family members do not stay in the team hotel, we encourage all athletes to call parents and guardians regularly and allow for any unscheduled calls by either the athlete or parent/guardian.

INDIVIDUAL TRAVEL FOR SPORT INVOLVING INDIVIDUAL COMPETITION AND TRAVEL
The nature of our sports and competition structure means that individual athletes may sometimes need to travel overnight without other athletes. Under these circumstances, we encourage minimizing one-on-one time between a coach and athlete by:

1. Traveling with an additional coach or chaperone
2. Inviting parents/guardians to travel with their athlete (for athletes under age 18)

For individual travel, we attempt to provide alternative guidelines. Depending on the nature of the travel and competition, these guidelines may include:

1. Compressing the travel schedule to reduce the number of nights athletes are away from home
2. Providing regular organizational check-in phone calls to the traveling athlete and coach
3. Encouraging more frequent and unscheduled check-in phone calls initiated by parents/guardians (for minor athletes)
4. Complying with reasonable parental requests when a child is a way from home without a guardian

When only one athlete and one coach travel to a competition, the athlete must have his or her parents’ or legal guardian’s written permission in advance to travel alone with the coach.
TRAVEL NOTIFICATION
When possible, Athletes Without Limits will provide reasonable advance notice before team travel. Notice will include the dates, location and duration of competition. Travel notice will also include designated team hotels for overnight stays as well as a contact person within Athletes Without Limits. This individual will be the point of contact to confirm your intention to travel and to help with travel details.

Athletes Without Limits will post specific travel itineraries when they become available. These will include a more detailed, hour-by-hour itinerary as well as contact information for team travel chaperones.

MIXED-GENDER AND MIXED-AGE TRAVEL
Athletes Without Limits is made up of male and female athletes across various ages. Athletes will only share a room with other athletes of the same sex and age group. Athletes will also be grouped by age and sex for the purposes of assigning an appropriate chaperone. We will make every effort to provide these groups at least one chaperone of the same sex. However, we rely on parents to serve as chaperones and may be limited in providing this match.

Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete (unless the coach is the parent, guardian, sibling or spouse of that particular athlete). Where an adult is registered both as a coach and an athlete member of Athletes Without Limits, and is functioning primarily as a coach, he or she may share sleeping arrangements with another registered coach.

COACH AND STAFF RESPONSIBILITIES
During team travel, coaches and staff members will help athletes, fellow coaches and staff members adhere to policy guidelines, including, without limitation, the Travel Policy, Locker Rooms and Changing Areas Policy and Reporting Policy.

If a coach or staff member transports an athlete or other organization member in their private car for team travel, a copy of the coach’s or staff member’s valid driver’s license is required.

When not practicing, training, competing, or preparing for competition, coaches and staff will monitor the activities of athletes, fellow coaches and staff during team travel. Coaches and staff will:

a. prepare athletes for team travel and make athletes aware of all expectations. Supplemental information will be given to parents/guardians of athletes who are considered inexperienced travelers, new or relatively new to team travel, or who are under the age of 14
b. familiarize themselves with all travel itineraries and schedules before the initiation of team travel
c. conform to, and monitor for others’ adherence, the Athlete Protection Policy and all policies during team travel
d. encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
e. help athletes be on time for all team commitments (as possible)
f. assist with team travel logistical needs (as possible)
g. support chaperones and/or participate in the monitoring of athletes for adherence
to curfew restrictions set based on age and competition schedule as listed in travel itinerary
h. ensure athletes are complying with hotel room restrictions based on gender or age bracket requirements
i. make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones
j. not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their coaching duties
k. immediately report any concerns about physical or sexual abuse, misconduct, or policy violations
l. notify parents before taking any disciplinary action against a minor athlete if the athlete is traveling without his or her parents.

CHAPERONE RESPONSIBILITIES
Chaperones accompany team travel to ensure that the athletes, coaches, staff, and volunteers adhere to the Athletes Without Limits’ policy guidelines. While these include the travel policy, it also includes all other relevant policies contained in Athletes Without Limits’ Participant Safety Handbook.

If a chaperone has not undergone a criminal background check and Athletes Without Limits’ awareness training, the chaperone will not be permitted to have any one-on-one interactions with athletes or other youth participants. If a chaperone has undergone a criminal background check and awareness training, he or she may have appropriate one-on-one interactions as outlined in this policy.

If a chaperone will be operating a private car for team travel, a copy of the chaperone’s valid driver’s license is required.

Chaperones will monitor the activities of all coaches, staff members, volunteers and athletes during team travel. Specifically, chaperones will:

a. familiarize themselves with all travel itineraries and schedules before team travel
b. monitor for adherences to Athletes Without Limits policies during team travel
c. encourage minor athletes to participate in regular, at least daily, scheduled communications with their parents/guardians
d. help athletes be on time for all team commitments (as possible)
e. assist coaches, staff and other volunteers with team travel logistical needs (as possible)
f. monitor athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary
g. ensure athletes comply with hotel room restrictions based on gender or age bracket requirements
h. not use drugs or alcohol in the presence of minors or be under the influence of alcohol or drugs while performing their chaperone duties
i. make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and chaperones
j. immediately report any concerns about sexual and physical abuse, misconduct or policy violations to an Athletes Without Limits’ administrator or a member of Athletes Without Limits’ Participant Safety
REPORTING POLICY

Every Athletes Without Limits staff member and/or volunteer must report:
(1) misconduct as defined in Athletes Without Limits’ Athlete Protection Policy, and
(2) suspicions or allegations of child physical or sexual abuse.

As a matter of policy, Athletes Without Limits does not investigate suspicions or allegations of child physical or sexual abuse or attempt to evaluate the credibility or validity of such allegations as a condition for reporting to the appropriate law enforcement authorities.

Reporting Child Physical or Sexual Abuse

Child Physical or Sexual Abuse
Staff members and/or volunteers at Athletes Without Limits are required to report suspicions or allegations of child sexual abuse by a colleague or co-worker, to:
(1) their immediate supervisor,
(2) an Athletes Without Limits administrator,
(3) a member of Athletes Without Limits’ Participant Safety Committee and,
(4) where applicable, appropriate law enforcement authorities.

Grooming
Because sexual abusers “groom” children for abuse - the process used by offenders to select a child, to win the child’s trust (and the trust of the child’s parent or guardian), to manipulate the child into sexual activity and to keep the child from disclosing abuse - it is possible that a staff member and/or volunteer may witness behavior intended to groom a child for sexual abuse. All questions or concerns related to inappropriate, suspicious or suspected grooming behavior should be directed to an immediate supervisor, an Athletes Without Limits administrator or a member of the Athletes Without Limits Participant Safety Committee.

Peer-to-Peer Sexual Abuse
Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. If you have any concerns that an interaction between children may constitute sexual abuse, report it to the appropriate law enforcement authorities and a Athletes Without Limits supervisor, an Athletes Without Limits administrator or a member of Athletes Without Limits Participant Safety Committee immediately.

Reporting Misconduct and Policy Violations
If any staff member and/or volunteer receives an allegation or observes misconduct or other inappropriate behavior, such as grooming, that is not reportable to the appropriate law enforcement authorities, it is the responsibility of each staff member and/or volunteer to report their observations to:
(1) their immediate supervisor,
(2) an Athletes Without Limits’ administrator or
(3) a member of the Athletes Without Limits’ Participant Safety Committee.
Athletes Without Limits also encourages member parents, athletes and other sport participants to communicate violations of Athletes Without Limits’ Participant Safety Handbook and/or allegations and suspicions of child physical and sexual abuse to an Athletes Without Limits’ administrator or member of Athletes Without Limits’ Participant Safety Committee. Where applicable, parents may also report to the appropriate law enforcement authorities.

REPORTING PROCEDURE

To Whom to Report
Staff members and volunteers may report to any supervisor or Athletes Without Limits administrator with whom they are comfortable sharing their concerns. You may also report to any member of its Participant Safety Committee, which includes the following three designated Incident Review Officials (IROs):

- NAME/TITLE/CONTACT INFORMATION
- NAME/TITLE/CONTACT INFORMATION
- NAME/TITLE/CONTACT INFORMATION

A staff member and/or volunteer may, and in many cases must, report any allegation of child physical or sexual abuse to relevant law enforcement authorities.

How to Report
Athletes Without Limits will take a report in the way that is most comfortable for the person initiating a report including an anonymous, in-person, verbal or written report. Regardless of how you choose to report, it is helpful to Athletes Without Limits for individuals to provide, at a minimum, (1) the name of the complainant(s); (2) the type of misconduct alleged and the name(s) of the individual(s) alleged to have committed the misconduct.

Reporting Form
Individuals reporting child physical or sexual abuse or other misconduct may complete an Incident Report Form. Information on this form will include:

1) the name(s) of the complainant(s)
2) the type of misconduct alleged
3) the name(s) of the individual(s) alleged to have committed the misconduct
4) the approximate dates the misconduct was committed
5) the names of other individuals who might have information regarding the alleged misconduct
6) a summary statement of the reasons to believe that misconduct has occurred

Athletes Without Limits will withhold the complainant’s name on request, to the extent permitted by law. A copy of Athletes Without Limits’ Reporting Form can be found attached to this policy.

CONFIDENTIALITY, ANONYMOUS REPORTING AND BAD-FAITH ALLEGATIONS

Confidentiality
To the extent permitted by law, and as appropriate, Athletes Without Limits will keep confidential the complainant’s name on request, not make public the names of potential victims, the accused perpetrator or the people who made a report of child physical and sexual
abuse to the authorities.

**Anonymous Reporting**

Athletes Without Limits recognizes it can be difficult for an athlete, teammate, friend or family member to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. **Anonymous reports may be made without the formality of completing an Incident Report Form:**

- by completing the Reporting Form without including their name
- by expressing concerns verbally to an Athletes Without Limits’ administrator or a member of the Athletes Without Limits’ Participant Safety Committee
- through email, texts or notes left for an Athletes Without Limits administrator or a member of the Athletes Without Limits’ Participant Safety Committee.

However, anonymous reporting may make it difficult for Athletes Without Limits to investigate or properly address allegations.

All suspicions of child physical or sexual abuse will be reported to the appropriate law enforcement authorities.

**“Whistleblower” Protection**

Regardless of outcome, Athletes Without Limits will support the complainant(s) and his or her right to express concerns in good faith. Athletes Without Limits will not encourage, allow or tolerate attempts from any individual to retaliate, punish, allow or in any way harm any individual(s) who reports a concern in good faith. Such actions against a complainant will be considered a violation of our Participant Safety Handbook and grounds for disciplinary action.

**Bad-Faith Allegations**

A report of abuse, misconduct or policy violations that is malicious, frivolous or made in bad faith is prohibited. Such reports will be considered a violation of our Participant Safety Handbook and grounds for disciplinary action. Depending on the nature of the allegation, a person making a malicious, frivolous or bad-faith report may also be subject to civil or criminal proceedings.

**HOW REPORTS ARE HANDLED**

**Reporting to Law Enforcement and/or Child Protective Services**

An independent investigation can harm youth and/or interfere with the legal investigative process. Athletes Without Limits, its staff members and/or volunteers **do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities.** As necessary, however, Athletes Without Limits may ask a few clarifying questions of the minor or person making the report to adequately report the suspicion or allegation to law enforcement authorities.

For mandatory reporting laws in your state, visit [www.childwelfare.gov](http://www.childwelfare.gov).

**Immediate Suspension or Termination**

When an allegation of child physical or sexual abuse is made against a staff member, youth and/or volunteer, Athletes Without Limits may immediately remove that individual from contact with any children in the program until the allegation has been investigated by an
official agency. As necessary, Athletes Without Limits may suspend or change the assignment of a staff member and/or volunteer.

In those cases where the Ted Stevens Act may apply, the accused individual will be offered a hearing. A hearing under the Ted Stevens Act will not necessarily affect Athletes Without Limits’ ability to immediately suspend or terminate the accused individual from employment or performing services for organization.

A staff member or volunteer’s failure to report to a supervisor, a Athletes Without Limits administrator or member of the Participant Safety Committee is a violation of this policy and grounds for termination of a staff member and/or dismissal of a volunteer.

**Misconduct and Policy Violations**

Athletes Without Limits addresses internally alleged policy violations and misconduct - bullying, harassment, hazing, emotional, physical and sexual - that are not reportable under relevant state or federal law. Staff members and/or volunteer must report policy violations and misconduct to an immediate supervisor, Athletes Without Limits’ administrator or member of Athletes Without Limits’ Participant Safety Committee.

Athletes Without Limits may also investigate allegations of child physical or sexual abuse that are reportable, if such investigation does not interfere with any pending criminal investigation or prosecution for abuse. Such allegations may include:

- Emotional abuse
- Abuse reported outside the relevant statutes of limitation
- Allegations of abuse that were reported to authorities, but: (a) legal authorities did not press criminal charges; (b) criminal charges were filed, but not pursued to trial; or (c) the alleged offender was acquitted at trial

**NOTIFICATION**

Following Athletes Without Limits’ notice of a credible allegation that results in the removal of an employee, coach or other volunteer, Athletes Without Limits may consider the circumstances in which it will notify other parents of athletes with whom the accused individual may have had contact. In Athletes Without Limits’ discretion, as appropriate, and after consultation with counsel, Athletes Without Limits may notify its staff members, contractors, volunteers, parents, and/or athletes of any allegation of child physical or sexual abuse or other criminal behavior that (1) law enforcement authorities are actively investigating; or (2) that Athletes Without Limits is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.

**DISCIPLINARY RULES AND PROCEDURE—for LOCAL ATHLETES WITHOUT LIMITS**

While Athletes Without Limits endeavors to provide support and guidance to participants on a day-to-day basis, it is also important for Athletes Without Limits to have a formal procedure for disciplinary action to address alleged violations of its policies and other inappropriate behaviors, which is consistent with Athletes Without Limits’ Bylaws and Constitution.

**APPLICATION**

This Policy is used to address the following allegations against staff members, athletes, participants and/or volunteers:

- Violations of Athletes Without Limits’ policies; and/or
• Child abuse (emotional, physical or sexual) that does not involve an ongoing legal investigation or criminal prosecution.

Athletes Without Limits will not investigate an allegation of child physical or sexual abuse if it undermines or interferes with a pending legal investigation or criminal prosecution.

DISCIPLINARY RULES
Athletes Without Limits recognizes that there are varying levels of misconduct. For example, physical and sexual misconduct are serious violations that may result in immediate dismissal. In contrast, a youth participant who tells a single sexually risqué joke constitutes less serious misconduct and depending on the circumstances, might be dealt with more appropriately through dialogue and a verbal warning. In all cases, Athletes Without Limits’ disciplinary procedures and actions will be proportionate, reasonable and applied fairly and equally.

DISCIPLINARY PROCEDURE
On receipt of an allegation, Athletes Without Limits will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope, and extent of the allegations.

Athletes Without Limits will address allegations against a staff member and/or volunteer under its Employment Policies and Procedures, Bylaws and Constitution.

Athletes Without Limits’ disciplinary response will depend on the nature and seriousness of the incident and in extreme cases, misconduct will result in immediate summary dismissal, provided that the accused individual shall be advised of their right to a hearing. If the accused individual is a minor, Athletes Without Limits will contact his or her parents or guardians.

DISCIPLINARY ACTION
Sanctions for violations of the Participant Safety Handbook will be proportionate and reasonable under the circumstances. In addition to day-to-day guidance, the Athletes Without Limits may take the following disciplinary actions, without limitation:
• Inform the individual’s direct-line supervisor or, in the case of a youth participant, the youth’s parent or guardian
• Provide the individual with guidance, redirection and instruction
• Temporary suspension from competition
• File a formal incident report
• Issue a verbal warning
• Issue a written and/or final written warning
• Implement a limited access agreement (e.g., limiting an individual’s access to certain buildings or to youth)
• Provide informed supervision, where at least one staff member is informed of the allegation and is instructed to vigilantly supervise the accused participant or stakeholder in his or her interactions with the program and/or organization
• Engage in restorative practices, i.e., creation of a respectful and safe dialogue when a misunderstanding or harm has occurred
• Suspend or terminate employment or membership
ONGOING EMPLOYMENT AND/OR PARTICIPATION
On receipt of a credible and specific allegation of child abuse or other serious misconduct (e.g., physical and sexual abuse as defined in our Athlete Protection Policy), Athletes Without Limits may immediately suspend or terminate the accused individual to ensure participant safety.

COMPLAINANT PROTECTION
Regardless of outcome, Athletes Without Limits will support the complainant(s) and his or her right to express concerns in good faith. Athletes Without Limits will not encourage or tolerate attempts to retaliate, punish or in any way harm any individual(s) who report(s) a concern in good faith. Such actions will be grounds for disciplinary action.

BAD-FAITH ALLEGATIONS
Any individual who alleges misconduct under the Participant Safety Handbook that, upon review, is determined to be malicious, frivolous or made in bad faith will be a violation of our Participant Safety Handbook. Bad-faith allegations may also be subject to criminal or civil proceedings.

DISCIPLINARY RULES AND PROCEDURE
While Athletes Without Limits endeavors to provide support and guidance to participants on a day-to-day basis, it is also important for Athletes Without Limits to have a formal procedure for disciplinary action to address alleged violations of its policies and other inappropriate behaviors.

APPLICATION
This Policy is used to address the following allegations against staff members, athletes, participants and/or volunteers:
• Violations of Athletes Without Limits’ policies
• Child abuse (physical or sexual), where Athletes Without Limits’ actions will not undermine an ongoing legal investigation or criminal prosecution

Athletes Without Limits will not enter into an investigation that undermines a pending legal investigation or criminal prosecution.

DISCIPLINARY RULES
On receipt of an allegation, Athletes Without Limits will determine in its discretion the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope and extent of the allegations.

Athletes Without Limits will address allegations against a staff member and/or volunteer under relevant organizational policies (e.g., Employment Policies and Procedures, Bylaws and Constitution).

Athletes Without Limits’ disciplinary response will depend on the nature and seriousness of the incident, and in extreme cases, misconduct will result in summary dismissal. Athletes Without Limits may undertake a formal investigation and hearing at its discretion. Before taking any disciplinary action, however, Athletes Without Limits will offer the accused an opportunity to respond.

If the accused individual is a minor, Athletes Without Limits will contact his or her parents or guardians.
DISCIPLINARY ACTION
Sanctions for violations of the Athlete Protection Policy will be proportionate and reasonable under the circumstances. In addition to day-to-day guidance, Athletes Without Limits may take the following disciplinary actions, without limitation:

- Inform the individual’s direct-line supervisor or in the case of a minor, the minor’s parent or guardian
- Provide the individual with guidance, redirection and instruction
- Temporary suspension from competition
- File a formal incident report
- Issue a verbal warning
- Issue a written and/or final written warning
- Implement a limited access agreement (e.g., limiting an individual's access to certain buildings or to youth)
- Provide informed supervision, where at least one staff member is informed of the allegation and is instructed to supervised vigilantly the accused individual in his or her interactions with the program and/or organization
- Engage in restorative practices (i.e., creation of a respectful and safe dialogue when a misunderstanding or harm has occurred)
- Suspend or terminating employment or membership

ONGOING EMPLOYMENT AND/OR PARTICIPATION
On receipt of a credible and specific allegation of child abuse or other serious misconduct (e.g., physical and sexual abuse as defined in our Athlete Protection Policy), Athletes Without Limits may immediately suspend or terminate the accused individual to ensure participant safety.

COMPLAINANT PROTECTION
Regardless of outcome, Athletes Without Limits will support the complainant(s) and his or her right to express concerns in good faith. Athletes Without Limits will not encourage or tolerate attempts from any individual to retaliate, punish, or in any way harm any individual(s) who reports a concern in good faith. Such actions themselves will be grounds for disciplinary action.

BAD-FAITH ALLEGATIONS
Any individual who alleges misconduct that, upon review, is determined to be malicious, frivolous or made in bad faith will be a violation of our Athlete Protection Policy. Bad-faith reports may also be subject to criminal or civil proceedings.

INVESTIGATION AND ADJUDICATION—for RESOLVING ALLEGATIONS UNDER THE TED STEVENS ACT
Athletes Without Limits utilizes this Investigation and Adjudication procedure to resolve those allegations that are governed by the Ted Stevens Act. A hearing under the Ted Stevens Act will not necessarily affect Athletes Without Limits’ ability to immediately suspend or terminate an accused individual.

On receipt of:
(1) an allegation of misconduct, as defined in Athletes Without Limits’ Athlete Protection Policy, that does not involve child physical or sexual abuse.
(2) an adverse employment determination by a local Athletes Without Limits for emotional, physical or sexual misconduct as set forth in the Athletes Without Limits’ Athlete Protection Policy.
Athletes Without Limits shall determine the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope and extent of the allegations. Such steps may include, without limitation:

- The collection of additional information from the individual in question, other individuals with potential knowledge or evidence of the incident or the accused individual
- Formal investigation and hearing
- Retention of legal counsel or investigation services to investigate and/or make a recommendation as to whether a violation of the relevant policy has occurred and/or a recommendation as to the appropriate sanction

Where serious allegations of misconduct are at issue (e.g., physical and sexual misconduct as defined in our Athlete Protection Policy), Athletes Without Limits may elect in its discretion to undertake a full investigation and hearing before determining the appropriate disciplinary action. This investigation and/or hearing will in no way interfere with an ongoing criminal investigation or prosecution.

SUSPENSION BEFORE FINAL RESOLUTION
If the reported complaint or employment/membership decision by a local member Athletes Without Limits indicates that an individual's continued employment, membership or participation poses a risk of ongoing physical or emotional harm, Athletes Without Limits may wish to suspend the accused individual pending final resolution of the complaint to eliminate any danger to an athlete, sport participant or other individual. In such instances, Athletes Without Limits will provide the individual with notice and offer her/him an opportunity to contest the suspension.

Athletes Without Limits may suspend the accused individual where there is a reasonable belief that the individual has committed emotional, physical or sexual misconduct. Evidence which may be found sufficient to support a reasonable belief includes, at a minimum:

- the suspension or termination of employment or membership by one of organization’s member Athletes Without Limits
- an Incident Report Form with specific and credible information
- other legal documentation or report supporting a reasonable belief that the individual has committed emotional, physical or sexual misconduct, including abuse of a child (e.g., a criminal indictment).

For the purposes of this Policy, a suspension from sport involvement shall mean that for the duration of the period of suspension, the accused individual may not participate in any capacity or in any role in the business, events, or activities of the Athletes Without Limits.

Any suspension before final resolution may be appealed to the Athlete Protection Committee at the written request of the accused individual within 5 business days of the suspension.

INVESTIGATION
As appropriate, and at its discretion, Athletes Without Limits may institute a formal investigation and hearing procedure to address serious allegations of misconduct (e.g., physical and sexual misconduct). However, Athletes Without Limits anticipates that an investigation and
hearing will be undertaken to address only the most serious allegations and patterns of behavior that warrant significant sanctions. Accordingly, Athletes Without Limits anticipates that this disciplinary procedure will be used rarely.

If an investigation is conducted, the complainant, victim and accused individual shall have the right to:
   a) Receive written notice of the report or complaint, including a statement of allegations
   b) Present relevant information to the investigator(s)
   c) Legal counsel, at his or her own expense

HEARING

Procedural Safeguards
In every case where a hearing is warranted pursuant to this Policy, an adjudication shall be conducted that shall in all cases comply with Athletes Without Limits' bylaws. The adjudication shall further conform to the provisions and principles set out hereafter. However, deviations in one or more of the procedural safeguards are permitted, provided the following conditions are satisfied:
   a) The individual is informed of the allegations and evidence brought against him or her
   b) The individual is given a reasonable opportunity to respond to the allegations brought forward
   c) The individual may be represented by legal counsel at his or her expense
   d) The panel member(s) who make the determination are free of conflicts of interests and render an unbiased decision
   e) There is a right to appeal the panel’s decision

Preliminary Determination
On receipt of a disclosure and/or additional information made pursuant to this Policy, if the Incident Review Official is satisfied, in the exercise of his or her discretion, that there is a sufficient reasonable, reliable and persuasive evidence to support the complaint alleging emotional, physical or sexual misconduct, he or she shall notify the Review Panel.

Notice
The accused individual will be notified of a specific date and time to ensure that he or she is available for the hearing. Unless the Review Panel requires the individual to attend the hearing in person, the individual may appear by telephone conference call. The individual has the right to be represented by legal counsel at the hearing, provided that the counsel’s participation may be subject to the reasonable hearing rules related to the conduct of the hearing.

Timing
The Review Panel shall have the authority to set timelines and other rules regarding the proceeding and the conduct of the hearing, as it deems necessary.

On request of the accused individual, and provided that it is necessary to expedite the proceeding to resolve a matter relating to scheduled training or competition, the Review Panel may render an expedited determination.

Evidence
At the hearing, the accused individual will be allowed to present any reasonable evidence or argument that he or she wishes the Panel to consider. The Panel may require or permit
documentary evidence, such as the written report of any investigator or other fact-finder, before the hearing and that the names of any witnesses be disclosed before the hearing. The Panel may also consider a local Athletes Without Limits’s employment determination as evidence to be considered.

If the complainant/alleged victim(s) is a minor, the investigator’s or other fact-finder’s report may substitute for the minor witness’s direct testimony, provided that the accused had an opportunity to present and respond to relevant information collected during the investigation and before the report was transmitted to the Review Panel.

The Review Panel may proceed in the accused individual’s absence if it cannot locate the individual or if the individual declines to attend the hearing.

Findings and Sanctions
The Panel has the discretion to impose sanctions on the individual if it finds based on a preponderance of the evidence that emotional, physical or sexual misconduct has occurred. The Panel will communicate its finding to the individual. The Panel may impose sanctions on the individual in its findings.

Any sanctions imposed by the Panel against the individual must be proportionate and reasonable, relative to the content that is found to have occurred. The decision regarding the appropriate sanction shall be up to the panel deciding each complaint. In imposing a sanction, the Review Panel shall consider:

a) The legitimate interest of Athletes Without Limits in providing a safe environment for its participants
b) The seriousness of the offense or act
c) The age of the accused individual and alleged victim when the offense or act occurred
d) Any information produced by the accused individual, or produced on behalf of the individual, in regard to the individual’s rehabilitation and good conduct
e) The effect on the Athletes Without Limits’ reputation
f) Whether the individual poses an ongoing concern for the safety of Athletes Without Limits’ athletes and participants
g) Any other information, which in the determination of the Panel, bears on the appropriate sanction

Sanctions may range from a warning and a reprimand to suspension from sport involvement with the Athletes Without Limits for a period of time. Suspensions from sport involvement with Athletes Without Limits may be temporary or permanent. The most severe sanction possible to impose will be permanent suspension from sport involvement and expulsion from the Athletes Without Limits.

For the purposes of this Policy, a suspension from sport involvement shall mean that the individual may not participate in any capacity or in any role in the business, events or activities of the relevant organization or its affiliated members for the duration of the period of suspension.

Confidentiality
The conduct of the hearing WILL be private. If the Panel determines that the individual has violated policy, it may publish its decision or a brief summary of its decision, unless the accused
is a minor. However, if the individual appeals, the summary of the panel’s decision will not be disclosed until an appellate decision has been made.

If the Panel determines the accused individual did not violate the relevant policy, the panel will publish a summary only at the individual’s written request.

**APPEAL**
If the individual disagrees with the finding or sanction of the panel and wishes to appeal, he or she may file an appeal with the Appeals Committee within 5 days of the finding. On appeal, the Appeals Committee will address the merits of the Panel’s decision *de novo*, and not the process that was utilized. A decision rendered by the Appeals Committee shall be final and binding on all parties.
