Rules

Horses and ponies can be ridden by more than one rider, but not more than two riders in a team.

This event is organized in accordance with the VIRTUS Para Dressage Rules (March 2022) and in accordance with the FEI Code of Conduct for the Welfare of the Horse.

Videos of tests may not be entered if they have already been judged at a competition. If a video is suspected to have been taken at a competition, the rider will be disqualified. Therefore, while riders are encouraged to wear regular competition outfit, the horse must wear bandages.

A commander is allowed. Please also refer to the Rule Book.

The decisions of the judges are final.

Filming

The person filming must stand behind C as far as possible, but will have to zoom in when the rider is at A.

The video must be taken in landscape format in one shot, no cuts allowed. The whole horse must be seen at all times. Sound must be recorded to make sure no coaching is taking place during the test.

Please try to ensure the video is clear and in focus. In particular:

- Use a tripod or stand where possible to reduce motion
- Minimize background noise and interruption
- Be aware of sunlight or spotlights to avoid glare

Videos should be saved in MPEG or MOV format.

PLEASE NOTE THAT POOR QUALITY VIDEOS MAY LEAD TO DISQUALIFICATION
