Welcome Message

Welcome Message from Helen Croxford, President of Sport Inclusion Australia

Dear Virtus Members, Athletes and Coaches,

On behalf of Sport Inclusion Australia, we would like to invite you to the 2025 Virtus World Athletics Championships, now proudly hosted in Brisbane, Australia, from 8–15 October 2025! It is an absolute honour to welcome athletes, coaches, officials and supporters from around the world to this prestigious event in one of Australia's most dynamic sporting cities.

This championship builds on the proud legacy of past Virtus Games, including the 2019 Global Games in Brisbane and the 2022 Virtus Oceania Asia Games, both of which showcased world-class performances, unforgettable moments and lasting friendships. We are excited to once again bring the world's best athletes together, continuing to set new standards for excellence and inclusion.

This event, sanctioned by World Para Athletics, will bring together over 300 elite athletes and team officials from across the globe, including youth events aimed at identifying future champions.

It is particularly special to host this event in Brisbane—the future host city of the 2032 Olympic and Paralympic Games. This provides an incredible opportunity for both elite and emerging athletes to compete at the highest level, inspiring the next generation of champions.

At Sport Inclusion Australia, we firmly believe that no one should be left behind—sport should be a place where everyone is welcomed, valued and included. This championship is more than just a competition; it is a powerful platform to showcase the talent, resilience and determination of athletes with an intellectual impairment on a global stage.

Sport Inclusion Australia would like to acknowledge the Australian, Queensland and Brisbane governments and key delivery partners Athletics Queensland, Australian Athletics and Oceania Athletics.

To all athletes, I encourage you to put your hands up for your national team selection. We encourage you to give your best, support one another and make memories that will last a lifetime.

See you at the 2025 Virtus World Athletics Championships— let's continue the legacy of inclusion and excellence in sport!

Helen Croxford

President, Sport Inclusion Australia

About Sport Inclusion Australia

Sport Inclusion Australia (SIA) is the national sporting organisation established to assist the inclusion of people with a disability, with a focus on athletes with an intellectual impairment into the mainstream community using sport as the medium.

Working together with our National and State sporting organisations and Government partners, SIA aims to deliver a successful internationally sanctioned athletics event for elite athletes with intellectual impairment in a world class athletics venue in a welcoming and inclusive environment.

Our vision is a world where everyone can be included through sport.

In addition to providing a World class event, our goals include fostering engagement with Asia Pacific nations and include classifier training to build capacity in Australia and the Pacific region.

Sports Rules and Regulations

All competitions will adhere to **World Athletics, World Para Athletics Rules** and **Virtus Athletics Specifications**, ensuring fairness and consistency throughout the championships.

Entry Criteria

The entry criteria must be in line with the Virtus Sport Specification.

- Maximum of 3 entries per nation for individual events.
- 1 entry per nation for relay events.
- Developing member nations may enter 1 athlete in each event who has not met the minimum qualifying standard.
- Athletes who have qualified in one event may also enter an additional similar event without meeting the minimum qualifying standard, subject to maximum of 3 athletes per country rule.
- Entry is subject to the [Virtus Conditions of Entry](#) and [Code of Conduct](#), [Safeguarding Code](#), and the [Virtus Privacy Policy](#)

Eligibility and Accreditation

Athletes must be listed on the Virtus International Eligibility Master List (II-1, II-2 or II-3).

Accreditation lanyards will be issued to each athlete after she/he personally has shown her/his passport to the Virtus officer. All staff members will also receive accreditations.

Results System

The event will use the **Hy-tek Competition Management System** to manage and display competition results. Live results will be displayed online.

Youth competition

A Youth competition will be conducted as a multi-point scoring event with athletes eligible to compete in a wide range of events where they score points based on their performance, with the best three-point scoring events counting to their score for overall awards for Youth athletes.

NOTE TO USA ATHLETES: While there will be a separate youth competition offered at this event, Athletes Without Limits requires US athletes to be at least 16 years old to travel internationally with our National Team.

Medal Criteria

Medals will be awarded for **1st, 2nd, and 3rd places** in each event.

In Youth events, medal presentation will be conducted as one overall presentation for Boys and Girls, with no medals for individual events.

Anti-Doping

Random doping tests will be conducted under the supervision of **Sport Integrity Australia**, in accordance with international anti-doping regulations.

Accreditation

Accreditation will be issued upon identity verification and validation of eligibility. Accreditation must be worn at all times to access competition and official event areas.

Competition Program

Technical Meeting:

The first technical meeting is planned for **9 October 2025**.

Notes

Tried to base on Vichy program, with some of my preferences
youth events and placement to be confirmed following close of entries
I prefer to run heat and final on consecutive day,
I prefer to have IPC events on early,
it provides opportunity to leave early also.
